

5 Para sa Mga Gustong Matuto ng Hapon

Bukod sa mga Japanese language schools, mayroon ding iba't-ibang Japanese class at mga pagtuturo ng mga international exchange groups, mga grupo ng volunteers at community halls sa iba't-ibang lugar sa Hiroshima, na makakatulong sa inyong pag-aaral ng Hapon.

Ang mga Japanese language schools ay kailangan ng tuition fees; kung nais pumasok sa isang language school, makipag-ugnayan sa naturang paaralan.

Ang mga Japanese classes at pagtuturo sa community halls ay kalimitang may kaunting fee o libre. Sa ibaba ay ang listahan at pagtuturo ng Hapon sa Hiroshima. Karamihan ay libre, ngunit kinakailangang magbayad para sa mga materyales at photocopy ng mga papel para sa klase. Maaaring kayo ay mag-sit-in muna sa klase bago lubusang tanggapin sa pagpasok.

Ang mga study programs ay maaaring iba't-ibang level depende sa klase. Ang ibang klase din ay maaring hindi tumanggap ng malalaking grupo galling sa kumpanya. Mangyaring makipag-ugnayan muna sa klase bago pumasok.
